ST THOMAS A BECKET RC PRIMARY SCHOOL

COLLECTING SIBLINGS

Dear Parents & Carers, 22nd September 2026

For children in Years 4 to 6, parents and carers may give permission for their child to be collected by a person under the age of 15, such as an older year 6 sibling at St Thomas a Becket or an older sibling attending secondary school

This arrangement must be agreed in advance by a parent or guardian, and a collection permission slip must be completed - please see below. Children will not be allowed to leave without this signed agreement in place.

Children in Year 3 or below must continue to be collected by an adult.

Thank you, as always, for your continued support in helping us to keep all our pupils safe.
