ST THOMAS A BECKET RC PRIMARY SCHOOL

NURSERY GATE UPDATE

Please use the main gate at pick-up time

3rd September 2026

Dear Parents & Carers,

Welcome back! We hope you all had a lovely and relaxing summer break and are looking forward to the new term.

We would like to make you aware of a small change to our nursery arrangements. As we no longer have an afternoon Nursery session, **the top Nursery gate by Combwell Crescent will no longer be open at the end of the school day.**

At collection time, parents and carers will therefore need to use the main entrance on Eynsham Drive to collect their children.

We appreciate your understanding and cooperation with this change.

Thank you, and once again, welcome back!

Mrs Cooper
Headteacher
